Dear Red:

About the nicest news that I have heard in a long time was from Bill Henderson when I saw him at Chapel Hill on November 3 during our State School Boards Association convention. So you can see that I got a jump ahead of the official announcement in the News and Observer. I could hardly wait until I returned to Burgaw to convey to Faye and Earl the glorious news!

I surely want to congratulate you on such an excellent choice as Anne! She is a wonderful person, as I am sure you already realize; and I am confident that she will make you a splendid wife. Knowing you as I do, I also believe that you'll be a real good hubby too.

Many thanks for remembering me with an invitation to the wedding. One of the unfortunate things about being poor and working in a store is that it is almost impossible to get away on a Saturday. For that reason, I regret that I will be unable to attend to see this thing well-done! Seriously, I would certainly like to be on hand to rejoice with you, Anne and your countless friends on such a momentous occasion. I'll be thinking about you folks on January 23, nevertheless, and that will really be the highlight of Jaycee week!

I will never forget you as our state president when I was trying to lead our Burgaw club. In spite of many heartaches and discouragements, I enjoyed it and suppose we did make some progress, both locally and state-wide, during that year. I was proud to have a very small part in the great Jaycee movement until last May when I just "exhausted right out". I understand from several that you are doing your usual fine job as a member of the State Prison Commission.

Red, I would not want to close without wishing for you and Anne all of the luck and happiness possible. May 1960 be a great year for both of you; and as the years pass, may you find the peace and joy that you and Anne so richly deserve.

And don't forget, if you are ever in our area, please come by to see me.

Cordially,

Howard Holly
